R. W. BRADLEY, Actuary.

Portsmouth, May 20th, 1852.

CONTRACTS.

TO GAS ENGINEERS.

IT being intended to LIGHT the market town of DRAMMEN, in NORWAY (containing about 8,000 inhabitants), with GAS, parties disposed to CONTRACT for the WORKS are requested to apply to the Magistrate of the Town, or to the Directors of the Gas Company, at Drammen, during the course of the present month.

LONDON, BRIGHTON, and SOUTH-COAST RAILWAY.—TO BUILDERS.—TENDERS are required for the ERECTION of SIX COTTAGES at the Hayward's Heath Station. Drawings and specifications may be seen at the Engineer's Office, London Terminus, on and after Wednesday, the 2nd inst. Tenders must be delivered to the undersigned, not later than Noon on Monday, the 14th June.

FREDERICK SLIGHT, Secretary.

London Terminus, May 28, 1852.

In the advertisement inserted in "The Times" of the 26th, and "The Builder" of the 29th May, it was erroneously stated that the tenders must be delivered on Wednesday, the 16th June.

TENDERS for REDDITCH CHURCH.—EXTENSION of TIME and WITHDRAWAL of RESTRICTION as to the STONE to be USED.—TO BUILDERS AND OTHERS.—Notice is hereby given, that PLANS and SPECIFICATIONS for BUILDING the NEW CHURCH at REDDITCH by the temple of Worcester, will be lying at the Residence of Mr. OSBORNE, until the 24th day of June next. All persons willing to CONTRACT for the execution of the works, are to send in sealed tenders, directed to Mr. OSBORNE, Redditch; on or before the said 24th day of June. Attached to every tender must be the price which each builder is willing to allow for the old church which he will have to take down at his own expense. The Building Committee do not bind themselves to accept the lowest tenders. The stone to be used in the new church must be good and durable, but it is not now restricted to the Alvechurch quarries.—Redditch, May 20th, 1852.

BOROUGH of BIRMINGHAM.—"THE BIRMINGHAM IMPROVEMENT ACT, 1851."—BIRMINGHAM SEWERS.—CONTRACT No. 1.—TO BUILDERS and OTHERS.—The Public Works Committee of the Council of the said borough hereby give notice that on MONDAY, the 28th day of June inst., at One o'clock precisely, they will meet at the Committee Room, in the Borough Surveyor's Offices, Moor-street, to receive and open sealed TENDERS from persons who may be willing to contract with them for the CONSTRUCTION and EXECUTION of the following WORKS, viz.:—A Main Sewer, 11,178 feet in length, to extend from a point at the junction of the river Rea with the river Tame, across certain Lands, Roads, and Canals, to a point about midway between the Aston-road and Walmer-lane; together with 243 feet in length of Junctions for Branch Sewers; as also Side Entrances, Flushing Apparatuses, Gully Drains, and other works connected therewith. Forms of tender, with general conditions, plans, sections, drawings, and specification of the proposed works may be seen, and printed copies of general conditions and specification, on the payment of 1s. each, may be had, on application at the Borough Surveyor's Offices, Moor-street, between the hours of Ten a.m. and Four p.m. on and after Monday, the 10th instant. The party whose tender shall be accepted, will be required to enter into a bond, with two responsible Sureties, to be bound jointly and severally in the sum of 1,000l. for the due performance of the contract. Any tender or schedule which is not strictly in accordance with the printed forms of the Council will be rejected. The Council do not bind themselves to accept the lowest or any tender.

J. PIGOTT SMITH, Borough Surveyor.

Borough Surveyor's Office, Public Office, Birmingham.
